

## Launched supply of “NSCarbolex™ Neutral” to STEELARIS

Dec. 11, 2023

Nippon Steel Corporation

Nippon Steel Corporation (Nippon Steel) is proud to announce that our low CO<sub>2</sub> steel product “NSCarbolex™ Neutral” \*1 plate will be supplied to STEELARIS\*2.

\*1: Steel products CO<sub>2</sub> emissions saving in the steel making process are allocated.

\*2: STEELARIS (Head Office: Singapore), [steelaris.com](https://steelaris.com)

STEELARIS is a steel wholesaler that supplies steel plates for oil & gas projects, construction, and offshore structures in ASEAN region. STEELARIS aims to achieve carbon neutrality in 2024-2025.

STEELARIS has appreciated the value of “NSCarbolex™ Neutral”, as part of their carbon neutral initiatives and determined to introduce this innovative solution to various industry players, such as project owners, engineering, procurement, and construction firms (EPC), and fabricators (FAB) by using their sales and distribution network. Through collaboration with STEELARIS, Nippon Steel continues to further increase market awareness and penetration of “NSCarbolex™ Neutral” in ASEAN region.

We will continue to deliver our “NSCarbolex Neutral” and “NSCarbolex Solution” \*3 to support our customer’s journey towards decarbonization, enhance their competitiveness, and moreover, contribute to the realization of a carbon neutral society.

\*3 Advanced products and solution technologies that contribute to the reduction of CO<sub>2</sub> emissions in society.
